

Dear DLA Parents,

At Discovery Language Academy the safety of our students is of uppermost importance. We understand that our 7,8,9 Grade and Saturday students are older, therefore responsible and alert to their surroundings.

Our standard pick-up/ drop-off procedures at Discovery Language Academy are that parents enter the building at drop off and pickup, however, we understand that parents' procedures at day school are different.

We would like your permission at this time to release your son/daughter at the elevator exit with the understanding, between parents and child, that a parent is in the parking lot waiting for them and that Discovery Language Academy- Portuguese United for Education is released of any responsibility or incidents that might occur from unsupervised dismissal.

Please sign and return this form to school.

\_\_\_\_\_ Yes, I allow my son/daughter to enter and exit the school building without a parent/ adult supervision.
