

Dear Parents,

This letter is to inform you that a student in your child's school has a severe food allergy to peanuts/nuts. It is important that there is strict avoidance to this food to prevent a life-threatening allergic reaction. We are asking your help to provide the student with a safe school environment.

Any exposure to peanuts/nuts may cause a life-threatening allergic reaction that requires emergency medical treatment. To reduce the chance of this occurring, we are asking that you do not send any peanut or nut containing products to school with your child that will be eaten in the classroom.

If your child has eaten peanuts/nuts before coming to school, please be sure your child's hands and face have been thoroughly washed before entering the school.

We appreciate your support of these procedures. Please complete and return this form so we are certain you have received this information. Please contact me if you have any questions.

Leslie Vicente, PhD
Executive Director

___ I have read and understand the peanut/nut free classroom procedures. I agree to do my part in keeping the classroom peanut and nut free.

Child's Name _____

Parent's Signature _____
